Welcome to HOLF - Please contact us if you
want to support us or get to know us!

Accommodation

Our current location in Sheung Shui can comfortably accommodate 33 residents.

However, as we look ahead to the future, we eagerly anticipate our relocation to Tai Po in 2027, where our new purpose built facility will be able to accommodate for up to 60 residents.

This expansion will allow us to extend our reach and impact, ensuring that more individuals with disabilities can find a loving and supportive home within our care.

About Us

Established in 1965 by two compassionate British ladies, Valerie Conibear and Wendy Blackmur. The Home of Loving Faithfulness (HOLF) offers comprehensive, round-the-clock care for individuals with a diverse spectrum of intellectual and physical disabilities.

HOLF strives to provide gold standard of care for physical, mental, social and spiritual wellbeing; integrating medical and holistic care.

HOLF's services are free of charge, all operating cost are by donation.
