

**Servant Leader/Executive Director for the Home of Loving Faithfulness (HOLF),
Sheung Shui, NT HK .**

The HOLF Trustees are looking for a faithful new “Servant Leader/Family Executive Director” in charge of the day to day operations of HOLF”. A dynamic new leader is sought to take the HOLF family through the next season of growth. Details on the role are set out below. More background about HOLF can be found below and on our website: www.holf.org.hk. For many years we have had a superintendent (as our Executive Director) supported by a senior manager and management team. If we can find a suitable candidate, we would prefer to have that senior leader supported by the management team without an extra “senior manager” at this stage. It may be that we can find a senior manager or employ existing personnel who may grow into that senior manager role over the next year or so.

Applications must be received by Wednesday 30th December 2020.

Your cv and covering letter (in English or in English AND Chinese) should be sent to the Trustees at jobs@holf.org.hk or by post to 7 Castle Peak Road, Sheung Shui, NT, Hong Kong. Your covering letter should explain why you think you are a suitable candidate for this role. Short listed candidates will be invited for interview in January 2021.
